

Supplier Purchase Order Terms and Conditions

January 30, 2014

The following Terms and Conditions are invoked with the attached purchase order

Unless other wise expressly agreed to in writing by both parties, these terms and conditions shall apply to all purchase orders between Technology Marketing Inc., TMI, and the Supplier regarding the purchase and sale of products distributed, manufactured or produced by the Supplier. Where applicable these requirements will be flowed down to the supplier's supplier.

- The supplier is required to notify TMI of non-conforming product.
- The supplier will obtain TMI authorization prior to providing non-conforming product.
- The supplier will notify TMI of any changes to product and or process definition, changes of suppliers, change of manufacturing facility location and, when required obtain TMI approval.
- Flow down to lower level suppliers in the supply chain all applicable requirements, including customer requirements.
- When required, the supplier will retain records as required in the subject purchase order.
- The supplier will allow right of access to TMI, TMI's customer, and any regulatory authorities, to the applicable areas of all facilities, at any level of the supply chain, involved in the order and to all of the applicable records.
- Provide certificate of conformity, test reports and/or airworthiness certificates, as required by purchase order.
